“Bring and Buy Sale”

We are holding a bring and buy sale on Saturday 14th July at the WYDMES site as part of the track running day activity. This is an excellent opportunity to sort through all those things in your workshops that you have acquired because they would be useful one day and pass them on to somebody else who thinks that they will be useful one day!

If any non-members would like to attend please make contact via email –
wydmes@yahoo.co.uk
